Ordering deadlines/lead time requirements: Each custom order is different, and our schedule fills up fast. Therefore, the amount of time we need to complete your request is based on the product and order quantity. Since we are a small operation, the time/project is not always guaranteed and depends on our calendar. With that said, we will work with you and try our very best to make the most delicious treats for your special occasion and within the time frame you need it! So, let us know the details as early as possible to ensure we can deliver!

**All custom order requests are subject to product and schedule/timeframe availability. All pricing is subject to change.*
